# Music for Busking

(2011)  
for violin

(also available for viola)

*This composition is dedicated to my friend Audrey Day Thomas-Googins,  
who gave its premiere in 2011.*

## **Performance Notes:**

The three movements should follow each other without much pause.

Performers are encouraged to perform this work in an informal public setting, or, in the context of a formal recital, down among the audience's seating area with the house lights turned on.

Audience participation is encouraged, particularly in the final movement, but do not get discouraged if no one claps or sings along with you. It's their loss.
